Specs

This is a premium offshore fisherman with exceptional performance and superb engineering.

Cabo designed the 31' for serious anglers with an upscale cabin and spacious accommodations.

Remarks

Here are some additional comments from the owner along with a list of the major items that he has upgraded since owning the boat. He states that she runs better now, than she ever has in the entire time he owned the yacht having just serviced both engines & the generator.

Owner Quote:

'When I first purchased the boat I put it in dry dock and told the company to fix anything they could find wrong, so the repairs were quite extensive because every little switch, tie wrap and clamp were replaced. The major items I have replace are as follows:

New canvas top on the lower station and upper station with the highest grade canvas we could find. New bilge pumps (all three) didn't want to take any chances Rebuilt head Props and shafts trued and balanced All new zincs (in engine as well) All coolers R&R acid washed New upholstery including cockpit New VHF top and bottom New flat screen TV/DVD Combo New Stereo system including speakers Upholstery up dated inside New Chartploter on flybridge New starter on starboard engine New batteries New Impellers in all pumps Installed fighting chair (used but in good shape) Rebuilt cockpit freezer There are many more small items replaced or fixed because I didn't want any problems when I go back and forth to the Bahamas.' The owner is motivated to sell so bring offers!! Best condition Cabo 31 on the market!!

The Cabo 31 is a hard working, smooth riding reliable fishing boat that is in top condition. The owner has the engines & generators running better now than when he first purchased the boat. Both engines & the generator have been serviced so she is in turn-key condition and ready to go to a new owner.

Exclusions

Owner's personal belongings.
