Comments

COMPETITIVE BID III is a custom extended version of the Cheoy Lee 83. She had an 8' extension to her aft deck and sundeck (done by Associated Marine in Ft. Lauderdale, FL) which created a much more accommodating and practical cruising yacht. Her present owner has also consistently upgraded her, doing something almost every year of his 11 year ownership. You will find this yacht clean, very well maintained and upgraded, and a pleasure to view. Few yachts can match the volume and practical layout of this design...a must see.
