Overview

Turn Key Ready • Priced to Sell (LOCATION: Toms River NJ) The Bertram 28 Flybridge Cruiser is a classic deep-V fishing boat that has never been equaled in popularity with offshore anglers. Nearly three thousand were built over the long production but you will have to look long and hard to find one as well maintained as this one. Large enough for comfort and small enough for easy maneuvering, this fisherman provides an affordable cruising alternative. The flybridge features forward helm station, custom radar arch, bimini top, and full enclosure. The helm is well equipped and enjoys a 360° view. To get you there and back this Bertram is equipped with Furuno 1850 DF / FF / GPS / map with 5.6" color LCD display, Furuno M821 radar with 8" color LCD display, and VHF marine radio. For background music, news, and weather there's an AM/FM stereo. For fishing there is a set of rocket launchers, center rigger, and a pair of outriggers. The Bertram 28 features a large, 85 square foot, cockpit with pedestal, rigging table, fresh & salt water washdown, and teak swim platform. There's more than enough room to fish, relax, or celebrate a good day of fishing. The cabin is bright with lots of natural light. Port side is a booth-style dinette that seats four and sleeps two. To starboard is a compact galley and enclosed head compartment with toilet and sink. For overnight trips and afternoon naps there's a forward v-berth with under-berth storage. Maintained to high standards this Bertram 28 is powered by a pair of 225 horsepower Mercruiser engines. One is original with around 1200 hours of use while the other was replaced in 2002 and has 225 hours. She has maintained her classic good looks and will continue to look good and run well for years to come. Call now and schedule a showing of this very affordable Bertram 28 Flybridge Cruiser.
