SPECIFICATIONS

Overview

Amadeus is a lightly used steel LRC with only 82 original hours (Fully Inspected and Serviced by Hatton Marine). A great deal of time and thought went into the overall construction and the many systems of this George Buehler design at the factory. Additionally, all systems have been fine tuned since delivery. The fairing of the hull is impressive (over \$50,000 option) and the interior teak joinery work is beautiful. Offered at just a fraction of her \$1,000,000 replacement cost. A personal inspection is highly recommended! Haulout for new bottom paint and prop tuned May 2013.

Basic Information

Category: Trawler

Model Year: 2006

Year Built: 2006

Country: United States

Dimensions

LOA: 55' 0" (16.76m)

LWL: 53' 4" (16.26m)

Beam: 16' 0" (4.88m)

Min Draft: 6' 0" (1.83m)

MFG Length: 58' 0" (17.68m)

Speed, Capacities and Weight

Cruise Speed: 8 Kts. (9 MPH)

Cruise Speed RPM: 1500 Kts.

Cruise Speed Range: 2200

Max Speed: 10 Kts. (12 MPH)

Max Speed RPM: 2400 Kts.

Displacement: 79000 Pounds

Water Capacity: 450 Gallons

Fuel Capacity: 1165 Gallons

Accommodations

Total Cabins: 2

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: John Deere

Model: 6.8L

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

AMADEUS features a very comfortable (2) stateroom arrangement, gourmet galley, salon with dinette, and a pilothouse with a raised dinette and watch berth. The warm teak interior joinery is outstanding and teak & holly flooring is found throughout. Lighting throughout is state-of-the-art energy efficient LED by Lumenautix.

The guest stateroom in the bow has a walk-around queen berth, (2) hanging lockers, several drawer storage areas, (2) portlights, overhead hatch, private shower to starboard, private head to port, and is entered through a water-tight door.

Next aft is the spacious salon area with a large L-shaped dinette, L-shaped settee, built-in desk, double large overhead hatches, portlights, stairs leading up to the pilothouse, and an entrance to the galley. The galley runs along the port side between the salon and aft master stateroom with the engine room taking up the mid/starboard side. The galley is beautifully finished with outstanding appliances, granite counter tops and bound carpet over the teak & holly sole. From the galley companionway is a watertight door leading to the walk-in engine room and further aft is another watertight door leading to the master stateroom. The engine room features about 7' headroom.

The full beam master stateroom features a walk-around queen berth, (3) hanging lockers, numerous storage areas including (16) drawers, a make-up vanity, overhead hatch, (5) portlights, and a private head with stall shower.

Both heads are beautifully finished with granite counter tops, tile flooring, and teak trim.

A stairwell leads from the salon area up to the pilothouse. The pilothouse is very well arranged for maximum comfort with a leather helm seat, raised dinette with watch berth behind, double doors to the starboard sidedeck, easily accessed electrical panel, a door to the aft deck, several opening windows for cross ventilation including the center windshield window. The wrap around helm station has all of the electronics at your fingertips.

Exterior

The exterior features a spacious flybridge with loads of seating, helm station, bimini top, and electronics mast. A stainless steel ladder leads down to the main deck level. Starting aft is a full walk-around settee with a custom fixed bimini frame, sidedecks with substantial railings, and a bow area forward of the reverse sheer pilothouse. The bow area has a built-in bench, (2) large dunnage boxes, fuel filling station, and a heavy duty windlass. The main deck level is finished with teak decking. Boarding the boat is by a removable stainless steel ladder port or starboard or a fixed ladder from the steel swim

platform.

Galley

Fisher Paykel Refrigerator/Freezer (Stainless Steel)

Fisher Paykel dishwasher (2-drawers)

GE Profile trash compactor

Sharp Convection microwave oven

General Gas range and oven (LPG and electric)

NovaCool Cold-Plate freezer

U-line icemaker (Pilothouse)

Splendide Combo-Matic 5200 Washer/Dryer

Granite Counter Tops

Double stainless steel sink

Teak & Holly Sole with bound carpet

Electronics

(2) Furuno Navnet (depth, radar, chart)

(2) Furuno RD-30 (Depth Sounder)

(2) Samsung SyncMaster 710T Monitors

C-map NT Plus charting software

Interphase Color Twin Scope (Forward looking sonar)

Furuno SC-500 Satellite Compass

(2) Furuno NavPilot

Danforth Compass

Furuno Fluxgate Compass

Icom IC-M602 VHF

Icom IC-M802 Digital Marine SSB Radio w/ auto-tune antenna

Weems & Plath clock and barometer

Electrical

THE ENTIRE ELECTRICAL SYSTEM MEETS ALL ABYC REQUIREMENTS!

12kW Northern Lights generator (48 hours)

Generator Sound Shield Enclosure

(1) AGM 4-D Generator start battery

(1) AGM 8-D Engine start battery

(5) AGM House batteries (two banks with parallel switch)

Xantrex 10-amp True Charge battery charger

Xantrex 3000-watt true sinewave inverter/charger with remote panel in pilothouse

50-amp shore power service with 12kW Torroidal Isolation Transformer

Lumenautix LED lighting throughout

Light dimmer switches (3 - zones)

Deck Equipment

Muir Thor hydraulic windlass (twin gypsy)

Muir Auto Anchor 500C counter

400' Galvanized Anchor Chain

35 KG Bruce anchor & Danforth anchor

Teak decking (main deck)

Walk-around decks with heavy duty rails

Removable stainless steel side boarding ladder

(5) windshield wipers with washers

Windshield defroster

Kahlenburg Air Horn

Carlisle & Finch searchlight (controls at both helms)

Bimini frame with Sunbrella fabric (stored away)

Shoreside water hook-up

Fresh water washdown (fore and aft)

Last haul-out May 2013

Mechanical

Single John Deere 6.8L 236hp with 82 original hours (fully serviced and inspected by Hatton Marine)

Direct Drive heavy duty ZF Transmission / 3:1 Reduction

7 knots = 2.1 GPH, 7.5 knots = 2.8 GPH (30% Load), top speed is 10.25 knots

Morse electronic engine control plus remote plug-in on flybridge and aft deck.

Hydraulic PTO for bow thruster and windlass

Vetus hydraulic bow thruster

Wired and plumbed for watermaker

Webasto DBW-2010 hydraulic heat

(4) Mermaid reverse cycle air conditioning/heat units

(3) Bilge pumps, (1) high water alarm

Jabsco electric heads, (2) holding tanks

Gulf Coast Fuel Polishing system w/high volume electric transfer/circulating pump.

Dual switchable Racor fuel filters, genset Racor fuel filter

Both main and generator secondary fuel filters

ShurFlo 5 GPM water pump

12-Gallon hot water heater (electric)

20-Gallon hot water heater (plumbed thru heat exchanger and furnace)

Engine room blowers

Manual bilge pump

Stainless steel sea chest w/thru-hull shut-off and (5) individually valved feeds

Entertainment

Sharp Aquos 20" LCD TV (master stateroom)

Sharp Aquos 32" LCD TV (salon)
