## Overview

---

**(LOCATION: Port Canaveral FL) The Wellcraft 3300 Coastal, designed as an express fisherman, combines agile handling and fish-ability with the comforts of a family cruiser.** Her large open cockpit has all the amenities needed for successful offshore fishing while the cabin provides accommodations for four with full galley and head with shower. This 33' express has a tower with upper station, hard top, outriggers, rocket launchers, and spreader lights. The elevated bridge deck has starboard helm with wide helm seat, stainless steel wheel, hydraulic steering, instruments and controls, Furuno GPS/WAAS navigator, Simrad Anritsu radar, Furuno color depth sounder, Standard Horizon Intrepid VHF radio with speaker. Seating features helm seat and port side companion seat. The large, deep, cockpit features stainless steel rod holders, cockpit bolsters, under-gunwale rod racks, insulated fish boxes, live well, tackle center, deck box, and raw & fresh water wash down. Forward, we have a bow pulpit with roller, anchor, electric windlass, and stainless steel bow rail. Aft, a transom door leads to an extended swim platform with boarding ladder. The roomy cabin has large booth-style dinette that seats four and sleeps two. There is a forward v-berth with under-berth storage and hanging locker. Starboard is a full galley with upper & lower cabinets, solid surface counter top with stainless steel sink, two-burner cook top, microwave oven, under-counter refrigerator, and built-in coffee maker. The enclosed head has head, mirrored vanity, and shower. There is ample room for overnight and weekend cruises or fishing trips. Overhead rod racks keep equipment at hand. There's an EPIRB for safety, and a Clarion AM.FM.CD stereo for entertainment. Power is provided by twin Caterpillar diesel engines known for their performance and dependability. With only 400 hours since a 2005 rebuild, they are ready to run strong. The 3300 Coastal remains popular because of her solid dry ride, excellent handling, and expansive cockpit.
