Min Draft: 4' 6" (1.37m)

Speed, Capacities and Weight

Cruise Speed: 34 Kts. (39 MPH)

Water Capacity: 100 Gallons

Fuel Capacity: 800 Gallons

Accommodations

Total Cabins: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: MAN

Model: V-10 1100

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

A fore and aft queen size berth in the forward cabin allows plenty of room on each side to make up the berth, as well as to access the signature CABO rod storage cabinetry with cross hatch ventilation panels. The galley and full head with shower feature Corian countertops with custom sea-rails and Moen fixtures. Guests will appreciate the comfortable extra large settee on the salon's port side. To keep Lil Knight Cru's interior in ship shape, there is even a built in vacuum system. The helm on the CABO 45 Express reflects its larger size with more room for both pilot and guests. To insure that both you and your shipmates are comfortable, the windshield comes equipped with an electrically operated center vent as standard equipment. The large three paned windshield comes with large wipers on each pane to insure unobstructed visibility. She also features a custom designed fiberglass console.

Standard ultra leather upholstery and a six speaker sound system from BOSE take the CABO 45 Express well beyond the spartan fishing machine category.

Salon

- Teak & holly sole in lieu of carpet
- AC duplex outlet/GFI protected
- Access hatch to galley & to below deck equipment space
- Air conditioning/heat, dual zone, 16,000 BTU, AC
- Custom entertainment center with Bose Lifestyle 38 system
- AM/FM/CD/DVD
- Deck hatch with retractable shade
- Deep pile carpet
- Flat screen TV
- Interior wood, teak, superbly joined and finished
- Positive latches used on cabinet doors and drawers
- Pull out double hide-a-bed beneath aft settee
- Upgraded ultra nylon fabrics on saloon settee
- Air conditioning with slave control
- Dresser w/ custom wall mounted mirror
- Overhead lighting, AC and DC
- Reading lights, DC
- Two single berths
- Lighting, DC and AC
- Port lights (2)

Galley

- 110 volt duplex outlet/GFI protected
- Ceramic cook top, two burner, recessed w/ Corian cover
- Corian counter top with custom Corian sea rails
- SubZero refrigerator w/ pull out drawers
- Trash storage compartment
- Storage compartments & drawers throughout
- Corian custom deep sink
- Freezer chest 4.5 cu ft
- Garbage disposal
- Microwave/convection oven
- Positive latches used on cabinet doors and drawers
- Pull out SS rack shelves
- Halogen recessed counter top lighting

Master Stateroom

- AC duplex outlet/GFI protected
- A/C controls with 7,000BTU capacity
- Access to anchor rope locker
- Custom built-in TV
- Drawers operate on sliders
- Flush mount clock
- Fore deck hatch with retractable shade
- Hanging lockers, port and starboard cedar lined
- Island double berth with 5" mattress, coverlets
- Port and starboard 8 rod storage locker
- Positive latches used on cabinet doors and drawers
- Recessed halogen lights, AC and DC
- Stereo speaker with volume control
- Storage compartments and large drawers below berth

- GFI protected 120v duplex outlet
- Corian custom counter top w/ Corian sink
- Custom vanity w/ storage cabinet
- Designer faucets and shower fixture
- Sealand Vacuflush electric head
- Lighting, DC and AC
- Mirror

Cockpit

The heart of this yacht is still very much that of a dedicated sportfisher. The 45 Express comes standard with every fishing amenity even the most demanding angler could want. The 15'8" beam offers almost 100 square feet of fish fighting room. A large in-transom live-well has a large clear Lucite window to easily check the condition and supply of live bait, plus you will appreciate the transom's heavily padded leading edge. Tremendous fish boxes are built into the cockpit sole both to port and starboard which are equipped with gas shock controlled hatches and CABO's famous airtight seals.

- Freezer plates, 110V ice box
- Freezer plates, 110V fishbox
- Window in bait tank
- Ice machine plumbed to portside fish box
- Aluminum reinforced plate installed for fighting chair
- Bait prep center port side includes tackle storage, sink, rigging board, insulated ice box ready for
- optional refrigeration, lockers fitted with custom lid, stainless steel gas spring actuator, full length stainless steel piano hinge and lockable custom flush latches
- Bait tank, 48 gallons, molded into transom
- Door to engine room w/ ladder from cockpit
- Fishboxes (large) insulated w/ macerator pump out system, heavy duty w/ gaskets & piano hinges
- Rod-gaff racks starboard
- Rod holders (5)
- Storage boxes under gunwale (2)
- Transom door w/top gate, extreme duty polished SS hardware
- Fresh & salt water washdown
- Hatches, lazarette and fish boxes Gunwale padding, high density foam, white vinyl covered, mounted on tough 1/2" polyethylene backing board
- Cockpit scuppers
- Courtesy lighting under gunwales

Fishing Equipment

- Camera system
- Custom dredge pull mini outriggers
- 38' outriggers 3-spreader with bridge release, aft laydown, & rigging kit
- Center rigger w/ rigging kit
- Ice maker in helm deck cabinet
- Eskimo ice chipper
- Scopinich rocket launcher
- 2 Ocean LED blue underwater lights
- 2 white underwater lights
- Hardtop overhead rod storage locker
- Refrigerated fish box
- Transom bait tank w/window (60gal)

Helm

- Helm deck A/C, 30,000 BTU
- Electronic engine gauge panel
- Auxiliary distribution panel
- Village Marine Tech 700 gallons/day water maker
- Propsmith propeller tool
- "L" shaped lounge port side/aft w/lockable rod storage below
- Large tackle cabinet/storage area to starboard w/ice maker area
- Molded fiberglass helm deck w/ large removable engine service hatch
- Sliding companion way door & fiberglass sea hood
- Stereo speakers w/ volume control
- Stidd pedestal mount helm seat, adjustable w/vinyl-covered high density foam cushions
- Stidd matching companion seat mounted on starboard cabinet
- Canvas console cover
- Chromed bronze helm wheel
- Compass w/light flush mounted
- Navigation/Electronics panel
- Palm Beach Pod mounted single lever electric controls

Deck Equipment

- 4 Sided express enclosure with "U" zippers
- Underwater transom lights (2)
- Main boot stripe
- Accent stripes (3)
- Custom anchor roller assembly

- Anchor chain (20')
- Custom spring line cleats (4)
- Fortress FX37 high tensile anchor
- SS forward mooring cleats (2)
- Molded fiberglass construction using polyester resin, bi-axial stitched fabric reinforcement & vacuum bagged core-cell foam construction
- Molded-in non-skid surface
- Premium quality molded-in white gelcoat finish
- Saltwater wash down forward in custom molded locker
- SS stern cleats
- SS stern hawse pipes
- Electric Windlass 24V, remote from helm w/ deck switches
- Bottom paint, complete preparation - 2 coats epoxy, 2 coats anti-fouling paint, black standard
- Core cell foam core from upper chine to sheer, vacuum bagged
- Hull finished inside with white polyester gelcoat
- Molded fiberglass construction with superior ISO/NPG gelcoat finish and premium vinylester resins throughout
- Solid fiberglass bottom construction
- SS rub strip on face of white high density PVC rub rail
- Trim tabs, fully recessed
- Windshield washers (3)
- Fresh water supplied windshield wipers (3)
- Self parking w/ heavy duty
- pantograph arms
- Bi-axial stitched fabric reinforcement
- Tinted windshield, heavy welded aluminum, construction finished w/ electrically actuated vent

Tower

- Tuna Tower molded top single rail 4' Gap
- One piece molded standing platform
- Radar dome box
- Tower sunshade, molded top
- Bench seat fixed with backrest
- Antenna-bracket-small dome
- Antenna: stand-off w. 2 each Halyards
- Control box: 50" contoured face
- Flush mounted compass
- Rod holders welded to rail (6)
- Teaser reels US9-24 Volt without handle
- MAN controls& steering

- Recessed lights 4 light/1 dimmer;
- 2 in 1 Linear lights, installed
- Anchor run lights
- Led Nav red/green lights
- Led Nav stern light
- Rod locker molded into hardtop

Mechanical Equipment

- Bilge pumps, four automatic/manual & one automatic
- Bonding system w/ transom zinc plate
- Braided hose sleeves on all nylon hydraulic lines
- Bright white bilge & engine room, gelcoat finish
- Bronze high speed water intake scoops w/ integral sea water strainers
- Double constant torque SS clamps on engine exhaust hoses
- SS double hose clamps on all hose fittings where possible
- Electric fuel priming pumps
- Electronic controls w/ engine synchronizer, trolling valves & backup controls
- Engine alarm system
- Engine driven emergency bilge pump Y-valve on one engine
- Engine room blowers (2) DC
- Engine room ventilation fan, AC
- Fresh water pump, AC, w/ backup fresh water pump, DC
- High water bilge alarms (3)
- Holding tank, w/ warning lights, macerator & dockside discharge
- Metal braided fire-retardant fuel lines
- Oil change system, mains, generator & transmission
- Power steering
- High Strength SS propeller shafts, 2.5 inch diameter, double taper, couplers
- Propellers, 4 blade nibral
- Rudders, high strength bronze, installed with high-load bearings insuring low friction and precise control
- Sea cocks, UL approved for marine application, bronze, fitted on all thru-hulls below water line
- Stuffing boxes, drip less lip seal type
- Water heater, stainless steel, AC, (11 gallon)
- Fire extinguishing system, automatic
- Fresh water cooling on main engines
- Fresh water hose bib, quick disconnect

Electrical System

- 15 KW Westerbeke freshwater-cooled diesel generator with sea-water strainer, remote start and gauge panel, water lift muffler, safety shut down system, 1865 hours as of 1-3-11
- Engine room lights, 24VDC & 120VAC
- Ground fault circuit interrupter receptacles throughout boat
- Horn, dual air trumpet
- Horn compressor-installed, dual air trumpets-not installed
- Interior lighting, 24 VDC and 120 VAC
- Navigation lights, International
- Telephone shore connection with one outlet, salon
- Battery charger 220 AC/24 VDC 50 amp w/ thermal cut out
- Cable TV w/ cable connection
- Central vacuum
- Custom AC electrical distribution panel w/ line voltage and load meter, reverse polarity light
- Custom DC electrical distribution panel w/ battery voltage & load meters
- Electronic supply at helm, 24 VDC and 12 volt VDC at 50 amps
- Vapor proof battery on/off switches
- 50 ft. shore power cord w/retractable Glendinning cord master, 220V, 50 amp
- Bonding system

Electronics

- Furuno NAV NET VX2 Black box
- Flir camera system (Tower)
- Furuno CA 50/200-R99
- 2 KW 50/200KHZ high performance xducer
- Furuno 6' open array for BB radar
- C-Map Super wide plus chart
- Furuno: GPS/WAAS antenna with 10' meter antenna cable
- Furuno RD30 remote depth and NMEA repeater (2)
- Furuno 235DHT MSE depth transducer
- High precision temp bronze transducer
- Hydraulic hoses and fittings
- Furuno Nav Autopilot
- Icom 602 VHF/hailer (2)
- Galaxy 5018 (2)
- 17'6 9DB VHF antenna
- Rupp Pak-0006 4 way flat mount w/ antenna (2)
- 3-15" color display
- 12 channel GPS/WASS-*call to pick chart
- Flir Nightvision Camera
- Northstar NS 100 VHF
- SAT TV Seatel Model 18985
- Seatel Multi Switch MS 3X4

- Seatel Power Supply
- SAT DSS Receiver
- Bracket on Tower Buggy top for SAT/TV Antenna
- SAT TV Dome KVC

Engine Room

- Upgraded engines to Twin MAN V10-1100 CR H.P.

Remarks

You won't believe what the 45 Express is capable of when chasing down a fish. The 45 turns on a dime, backs down like no other and even in the roughest of seas, stays right where you put her. And, because of her wide beam, modified-V bottom and low center of gravity, the CABO is a fighting platform with unequalled stability in all sea conditions. "Lil Knight Cru" features all the bells and whistles. The 1100 CR MANS are the preferred engine choice from a speed/efficiency and resale standpoint.

With the Imroned hull and glass coated tower, Lil Knight Cru shows as new. She benefits from the indulgence of an electronics junkie with over \$100,000 of upgrades invested.

Exclusions

Owner's personal belongings.
