Detailed Broker's Comments

I've personally spent time aboard CRASEA HORSE and find her to be spacious, comfortable, and clean! Due to her port/stbd gunnels you can safely get to the forward deck while underway! Her new full enclosure is fully cooled as well as her large engine room! She has a bow thruster and is stabilized. This partnered with being a 2 stateroom 2 head yacht makes her an excellent buy! She has very few minor flaws and I rank her a 9 out of 10!
