DETAILED INFORMATION

Introduction

Great new REDUCED PRICE on this well maintained and desirable Amberjack with "V" DRIVE INBOARDS.

The Amberjack is a well-equipped offshore fishing machine with a large 250 gallon fuel capacity (more fuel than most 29-footers) for extended trips to the fishing grounds. The tiered dash allows for plenty of room to mount today's big-screen electronics. Her wide 10' 6" beam gives all the anglers plenty of room to haul in their big catch and the molded bait-prep station with live-well is the perfect addition for live bait anglers. Others may choose to pack it with ice and use as a cooler for the big weekend party.

This fishing machine has all the creature comforts that a family needs for day trips or venturing away on vacation. She sleeps 5 adults comfortably with her large master forward, privacy curtain and hanging locker. The convertible dinette sleeps two and there is an additional mid ship berth that will comfortably sleep 1 adult or a couple children. The thermostatically controlled air/heat creates a great sleeping environment in any climate.

The full-size galley includes under counter refrigerator, microwave, single burner stove electric/alcohol, pressure water sink. The Amberjack has a fully molded head equipped with vacuflush system pullout style hand held shower and privacy curtain.

Control Station
