This is a spacious two cabin model with a beautiful cherry-stained interior finish. Overall the interior is in excellent condition. The galley is particularly oversized for a boat of this overall length. Master stateroom is forward with its own ensuite head/shower and boasts ample cabinets as well as a hanging locker and small settee. The salon is open and spacious with 6'5" headroom throughout and can provide additional crew space by lowering the dining table and converting the seating area to a double berth. A large galley lies to starboard of the companionway with a 12v Adler Barbour refrigerator/freezer, Force 10 three burner stove with oven, microwave oven, double basin stainless steel sink, and Seagull Water Filtration System. Two doors to port of the companionway provide access to either the head or the spacious aft cabin; which also has private head access.
