SPECIFICATIONS

Overview

PURCHASE PRIOR TO MARCH 1, 2011 AND WE WILL REIMBURSE YOU FOR YOUR SURVEY COSTS AT TIME OF CLOSING WHEN BUYING DIRECTLY FROM B.Y.S.

This Bavaria 40 has two private staterooms with twin full heads that is considerably more spacious than other brands of similar size.

The interior of this Bavaria 40 shows like new. Very nicely maintained and with good equipment you will be able to sail this away for this summer and enjoy the benefits of a comfortable, easy to sail and well equipped cruiser.

Also, it is possible to use the mooring on the Cape for the season which is a nice extra.

The mahogany interior wood has a very rich lustre and looks better than many of the newer boats that are using lower quality interior laminates.

I have NO doubt that anyone who is in the market for this size and price range will not be disappointed and I expect she will sell quickly. New head sail, diesel fired heating system, radar, water maker, good electronics, excellent autopilot, new awlgrip in 2006, new batteries, low hours in engine, and full USCG safety package
