## Overview

---

Preliminary Listing... This 78' Huckins Motoryacht has gone through the majority of a major refit. The bottom has been done, hull has just been painted as well as a bow thruster installed, topsides were painted before the hull. The aft deck was extended 8' and a 5' swim platform was added. This is a project boat which is ready to finish with the decor of your choice. There has been a great deal of money spent on this vessel in the last few years and all records are available for review with a signed purchase agreement Please inquire for more pictures of the interior. Accommodations Three cabins aft, each with full heads. Access to cockpit. Crew quarters are forward with double stateroom and separate captain's cabin with shared head and stall shower. Watertight door to engine room. Salon is located on main deck. There is a circular dining table. The pilot house, located on the upper deck level, is completely enclosed and air-conditioned with a helmsman and observers seat. Electronics SSB VHF Radar Depth Sounder Hailer ADF Newly installed bow thruster Electrical 12 and 24 volt DC; 115 and 230 volt AC. Custom electric panels. Deck Boat/Sun Deck is on upper level aft of enclosed pilot house. Mechanical Equipment Twin Stewart & Stevenson Detroit Diesel 12V-71TI engines, 810 hp @ 2300 rpm with ZF 2:1 reduction gears. Morse gear & throttle controls with Panish cables, VDO tachs, Glendinning synchronizer, underwater exhausts with Kay Industries silencers, Armco Aquamet 22 shafts and Federal Equiquad propellers. Hynautic / SeaStar hydraulic steering which is brand new and optional manual steering. Wood Freeman auto pilot with loran interface. Custom nine-ton, three stage chilled water air conditioning system. (Note: two new compressors installed 2003.) Two Mansfield Series 400 commercial sanitary systems with TDX treatment tanks and holding tank. Alarm system - Marinetics visual and audible engine and generator warnings, bilge water alarms, generator and steering operative signals, and fire and smoke alarms. All in pilot house with audible extension alarms in crew lounge.
