SPECIFICATIONS

Overview

With her long foredeck and sleek profile, the 500 is a crowd-stopper at any dock. Her sheer size is impressive enough, but its the extravagant high-style interior that causes first-time viewers to catch their breath. Here, laid out on a single level and presenting a panorama of curved bulkheads and designer furnishings, the accommodations rival those found in a small motor yacht. There are two private staterooms, two heads (each with stall shower), a plush U-shaped sofa below the bridgedeck, and a wide-open salon with good headroom throughout. The cockpit - with its raised helm, and built-in lounge seating - can seat a small crowd.
