SPECIFICATIONS

Overview

Silverton designers have come up with a very low profile sport bridge that **sacrifices nothing** in interior space and accommodations. This yacht has everything you would expect and more. Air-Conditioning with reverse cycle heat and diesel generator make her totally **self sufficient**. This two stateroom layout offers all the modern luxuries and was well designed to offer plenty of room.

DETAILED INFORMATION

Accommodations

Accommodations The master stateroom, in addition to an **island berth** has a “split head” arrangement so two folks can be getting ready at the same time. The guest stateroom has twin beds that can be converted to a queen size by adding the filler cushion supplied. There is a **large Guest/Day head** easily accessible from a central hallway. The head has a vacu flush system, great storage and a large vanity/sink area while on the opposite side of the cabin there is a large shower room. In the salon, there is opposing seating that means conversation flows naturally and comfortably. There is also a flat screen TV that recesses electrically for out of sight storage. The **deep cherry** finish throughout has the look of fine furniture and only adds to the elegant feeling.
