Sentry 40amp, 12v battery charger

TV and cellular antenna

Remarks

The Blackfin 38' convertible has always been a offshore favorite offering a great ride in rough water due to the Charles Jannace designed deep V hull. This vessel comes to the market with an owner looking to downsize and center console trades may be considered. Motors and gears have been overhauled and there is a newer Westerbeke generator aboard. The boat can be easily seen in Boca Raton, FL.

Disclaimer & Exclusions

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. PAYDIRT is still in use by the owner and as such there are personal items aboard that will not convey with the sale. Specifically excluded are all tackle, tools, handheld electronics, charts and personal effects. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Exclusions

Owner's personal belongings.
