SPECIFICATIONS

Overview

Please note that this listing represents a model specification for a new build and not an actual hull for sale. For more information on this model and build availability, please contact us*

As an ideal family vessel combining spacious living accommodations with excellent sea-keeping ability, the Horizon E78 motoryacht achieves a new standard for mid-sized luxury yachts. A key feature is an entirely unique hi/lo hard top that allows her to cruise under various fixed-height bridges, offering owners more flexible cruising destinations to visit with friends and family.

With a four stateroom plus crew layout, the E78 can accommodate all your design features and requirements while offering the flexibility to be an owner operated or crewed yacht. This innovative model demonstrates Horizon's superiority in engineering, construction and design with an open design creating more space, fewer interior bulkheads and better views. The E78 is also available in Open Bridge, Skylounge and Cockpit motoryacht versions.
