---

## Overview

---

*The most versatile of the opens, recognized on the sea as an absolute masterpiece of the category. All the solutions that make the sea the most beautiful experience to live are on board here. Technology and design mesh to fulfill wishes: open spaces and closed spaces to make room at all times for every personality, even the most eclectic and demanding. The Atlantis 50x4. It shows its mettle at the helm as well, a clear demonstration that leadership is born from the ability to decide in every situation what one wants from the sea.*
