## Overview

---

"Bluebird" is hull #8 of the limited edition Leopard 26 Fly series built by Italian Cantieri Arno. The yacht features a custom built aft stairway access to the flybridge that is unique to "Bluebird" and not found on any of the sister vessels in the series. Designed by the Owner and the Shipyard this feature overcomes the rather awkward access through the bridge that the other Leopard 27s suffer from and so is a very significant positive. She has been owned from new by the same family and has been fully and professionally crewed throughout her life. Owners have had yachts for 25 years and have maintained "Bluebird" to the highest standard. The yacht sleeps 8 guests in 2 double cabins and 2 twin cabins with a crew compliment of 3. **She can be purchased with her berth in Antibes-Port Vauban.** She is MCA certified and commercially registered for charter
