DETAILED INFORMATION

Accommodations

ATLANTICA is a magnificent, custom yacht from every angle. Built to full ABS classification by Christensen Shipyard with an interior designed by Don Starkey. Her major refit in 2012/13 includes new exterior paint, new interior soft goods, carpeting, rebuilt generators, A/C system, upgraded audio/visual systems throughout, just to name a few. This vessel features a five stateroom layout including a full width, main deck, master suite with His and Her bath. The formal main foyer is accessed on the starboard side of vessel and features a beautiful mahogany staircase to the skylounge and bridge and descends to guest quarters below. There is a day head just forward of the stairway. As you continue aft, you enter the dining area and main salon featuring beautiful, rich mahogany joinery, formal dining area for twelve and ample seating in the salon. The aft deck has twin spiral stairs leading down to a large swim platform with access to the water and engine room. The decks are all teak and there are 7" teak caprails and handrails throughout. Forward from the aft deck on the port side is a stairway to the pilothouse. Beyond the stairway you enter the port foyer. To starboard is entry to the galley, service passage to master and forward is a stairwell to the crew's quarters. Below deck is a service passageway to the guest accommodations. Forward there is a full laundry to starboard and a large pantry with two Amana freezers to port. Moving forward is the engineer's cabin and the crew lounge to starboard. Forward are two double cabins each with ensuite heads and showers. Below deck you will find three guest staterooms with queen berths and one with twin berths. All staterooms feature new soft goods, upgraded entertainment systems and private baths. A full size washer/dryer is located in the foyer and is concealed behind a decorative wall mural.

The magnificent skylounge features a full wet bar and comfortable seating along with access to the upper aft deck providing a more intimate setting. Up to the spacious flybridge which is equipped with a circular Jacuzzi/hot tub with perimeter bar, BBQ grill, ample seating areas and recessed flat screen TV with Kaleidescape and Crestron system built into the hardtop. There is a helm station equipped with engine controls, full array of electronics and captain and two helm chairs. The boat deck features water toys to include 18' Novurania tender, two Sea Doo's and glass bottom Kayaks. Further aft, is a large sunlounge area completing the outdoor accommodations. In addition, ATLANTICA is continually updating and improving her equipment and systems. In late 2011, she received a complete W6 service maintenance on her main engines, overhauled to zero hours. In Oct. 2012, the vessel completed a new Awlgrip, Matterhorn white paint job with navy and gold boot top at Lauderdale Marine Center in Ft. Lauderdale.
