SPECIFICATIONS

Overview

Not your normal Hunter, "Paradise" has had upgrades to enhance her performance and safe easy handling, including helm adjustable jib cars, six-purchase Harken traveler, Kevlar/Tafetta sandwich performance jib, and Selden in-track sail cars. The enhancements enabled her to be first overall in a recent Fugawi memorial day race to Nantucket. Besting a fleet of 200 yachts. This and the expected comfortable passages and livability Hunter is noted for with Air conditioning, Bow thruster and electric halyard winch for easy mainsail hoisting.

This is a very lightly used vessel in impeccable condition. The interior glistens, the bright work shines, the cushions are like new.
