DETAILED INFORMATION

General Information

This is one-of-a-kind yacht with exceptional looks and features. In pristine condition this yacht is ready for owners who will appreciate both her Italian elegance and technology.

Front sun beds with bimini allow sunbathing in great comfort with built-in speakers. Entertainment area with plush cushions and up-and-down flat screen TV easily convert into a dining area with plenty of light thanks to a sun roof.

Arneson drives are perfect to bring her into the shallow waters of the Mediterranean after cruising comfortably over 33 knots.

The Leopard is recognized for her seaworthiness and smooth handling.

Interior is elegant and contemporary with one-tone wood, fiberglass optic lights and stunning details throughout.

During the 2006 refit, the interior designer played with the 60's black and white style for a minimalist and modern interior.

Her MCA registration combined to very low engine hours makes her of a great opportunity for owners for both private and charter use.
