DETAILED INFORMATION

Vessel Walkthrough

"**ON PLANE**" is a 2008 55 Sea Ray Sundancer with T-800 MAN engines, and is a one owner vessel. It has been extremely well maintained including all major annual services done in March 2015 along with transmissions & generator. **ON PLANE** is equipped with just about every option from Sea Ray along with a great deal of Custom equipment that the owner added. The 55' Sea Ray Sundancer has a very large cockpit area that includes a lower and upper cockpit entertaining areas. The upper cockpit comes with two u-shaped benches that can be moved 360 degrees on a carousel. This offers a lot of different options for entertaining in this area. Just forward of the upper cockpit seating is the helm to the starboard. The helm is equipped with all the electronics the owner/captain would ever need along with a night vision VEI Camera. The Twin E120's Raymarine screens allow you to view Radar, Charts, Fish Finder, or the Night Vision Camera. When at the helm you are looking through a solid glass front with windshield wipers. "**ON PLANE**" offers a very custom interior. All wood floors throughout the Salon and Galley. The master is mid ship and is full beam. The master offers a queen size bed with an innerspring mattress which is adjustable and offers a massage function. The master has its own en suite head and shower, along with a 26" flat screen LCD TV with Bose surround sound. The very large windows in the master on the port and starboard side bring in a lot of natural light. The owner went with the en suite refrigerator option as well. As you make your way from the master you enter the Salon and Galley area. Forward of the Salon is the VIP quarters with a queen size bed. The VIP offers a walk in closet, full entertainment Bose system with a LCD flat screen TV and SAT TV. "**ON PLANE**" is equipped with a Paradox security & monitoring system. This allows the owner peace of mind when away from the vessel. "**ON PLANE**" is ready for immediate delivery and easy to view. Please call or email with any questions.
