Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Introduction

KILL'N BAIT is a low hour boat, well equipped with all the factory options and includes and extensive electronics package. This Express sports the Donald Blount Sea Control modified – V hull with prop pockets that provides an exceptionally soft, dry ride with excellent sea keeping characteristics, a straight track in any condition, and a shallow, efficient drive line. A well appointed and spacious interior with gloss cherry cabinetry, teak & holly sole provides comfort for a crew of 5 or 6.

Her impressive cockpit has been build and is designed for big time fishing. A bench seat faces aft to allow the anglers to sit comfortably while watching the baits and waiting for the big strike.

Best of all this Rampage is a very economical and efficient running battlewagon with her CAT diesels. A good size engine compartment offers plenty of access around the engines, which have transferrable warranty coverage.

She has been professionally maintained so if you are looking for value, good economy and overall great performance, then this well kept Rampage 33 is for you. Call today for additional details or to schedule a private showing.

Detailed Vessel Walkthrough

Features cherry interior with couch settee to the starboard side with galley access across to the portside. Aft is the entertainment center, above is the easy access main electrical panel and below is a drawer and liquor storage cabinet. Immediately to port against the back bulkhead is a fully molded fiberglass head and shower. Forward the V-berth area has comfortable seating for five around a cherrywood hi-low table. When converted the table drops down which has cushioned filler panels to make a full berth and the backrests for the seating fold up to make into two bunk berths. The couch settee also converts to an additional berth when needed. There is a hanging locker to the starboard side upon entering the salon door, which folds open and is secured by a positive-hold latch. The cabin offers 6'6" of headroom and her layout offers more in the way of comfort than any other boat in her class.

Main Salon

- Convertible Lounge Seat
- Forward Cherrywood Table Converts to Double Sleeper
- Teak and Holley flooring with Snap-Down Bound Edge Carpeting
- Privacy Curtains

Exclusions

Owner's personal items.

Detailed Broker's Comments

This impressive offshore Rampage Express with a centerline helm matches agile handling with wide beam accommodations that sleep 6. Her top-shelf amenities deliver a big-water performance in any sea condition and the prop-pockets draw very little water providing even more fishing and cruising versatility.

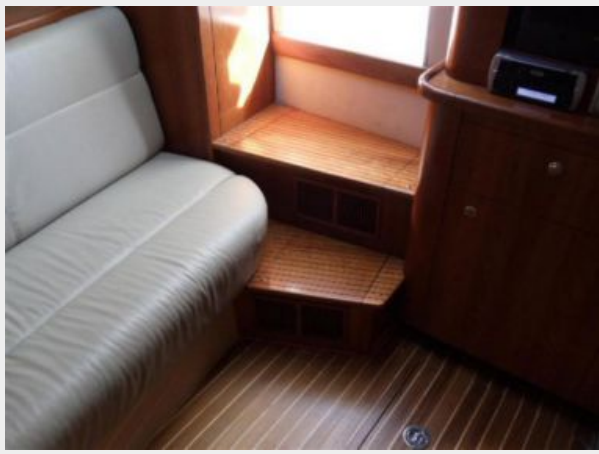

Exclusions

Owner's personal belongings.
