SPECIFICATIONS

Overview

This 1996 Stamas 310 Express has a roomy cockpit, with hard top covering a large helm and guest seating area and soft top covering the cockpit. Factory custom half tower with helm controls, tachometers, and engine alarms. Hull design is Stamas famous tunnel drive. With 450 HP, this boat will get you to productive fishing grounds quickly.

The cabin below has a nice galley to port, Head with shower to starboard, a nice Vee Berth and mid cabin making this a great overnight fishing boat. Air conditioning runs off both shore power and gen set. The galley has a deep sink with pressurized water: a microwave oven, newer Norcold refrigerator with freezer with 12 volt and 120 volt electrical.

The Stamas 310 Express is designed for the avid sport fisherman who also appreciates comfort. The Stamas family has been building fishing boats in Tarpon Springs, Florida, for almost 50 years, and Stamas Yacht is still run by descendants of the Stamas brothers who founded the company. It is one of the oldest boat manufacturers in the U.S. that has been continuously owned and operated by the same family. That's reassuring to many of us. Stamas went all-fiberglass in 1959, making it one of the more experienced companies in the world with that material.

Basic Information

Category: Sport Fisherman

Sub Category: Express

Model Year: 1996

Year Built: 1995

Country: United States

Coast Guard #: 1081510

Vessel Top: 2368
