DETAILED INFORMATION

Construction

RUSALKA was designed and built by Christensen Shipyards in 1994 with Naval Architect design of Howard Appolonio and original Interior Design of Glade Johnson and Dee Robinson in November/December 2001. RUSALKA has a fiberglass hull and superstructure. All construction and machinery is built and maintained to ABS + A1 + AMS Classification. Exterior refit: 2015/ Interior refit: 2014

Layout

BOAT DECK Starting aft on the boat deck to center and port is storage of one (1) Nautica tender and (2) Waverunners. Moving starboard are circular stairs leading to the aft deck. Moving forward to starboard is a large sunning pad area and full wetbar which features a Jenn-Air barbeque grill and four (4) bar stools, all with full weather covers. To port is a large U-shaped seating area with table including full weather covers. Located completely forward to port and starboard are four (4) helmsman chairs (two on each side) with access to the wheelhouse center. This area is complete with a full hardtop and can be enclosed with a 3/4 clearvue enclosure. MAIN DECK Completely aft to starboard and port are integral steps leading to the swim platform with access to the lazarette. The aft deck offers a built-in settee to aft and wetbar, including icemaker forward. Located to starboard is a circular staircase leading up to the boat deck. Complete walk-around decks lead to the foredeck where there is a comfortable settee located aft. Entering the Main Salon from the Aft Deck, RUSALKA's interior features cream and beige colors with Anigre wood and custom three-texture patterned gold carpeting. To port, there is an L-shaped sofa with a large rectangle wood coffee table and two (2) lounge chairs facing forward. Located directly to starboard is the entertainment center. Moving forward to starboard is a full bar with two (2) embossed custom chairs, opposite is a custom Nolan carved glass table, featuring nautical scenes, with eight (8) dining chairs. A passageway leading to the Galley is to port which features access to the stewardess pantry and ample storage space located underneath the semi-raised pilothouse and freezer. Moving forward to starboard is the foyer with stairs to port which offer access to the lower deck, as well as the semi-raised pilothouse. Just forward of the stairwell is the powder room. Continuing forward to port is the country-style galley which features all new granite countertops and a maple floor with walnut inlays. Located forward to port is an informal leather L-shaped dining area with a granite table and seating area for ten (10) people and ample storage located in the forward bulkhead. Access to the crew accommodations are completely forward to starboard. LED lighting in all staterooms and living areas. GE washer and dryer in Foyer. Day Head at starboard entry with black Corian countertop and sink and toilet.

Main Salon

Starboard aft is the TV/Entertainment, lounge chair, coffee table, black Corian bar with two barrel chairs, ice maker, refrigerator, sink, L-shaped sofa, large rectangular coffee table and two lounge chairs. Forward is Nolan custom carved glass dining table with eight chairs, and two large storage cabinets for dishes, glasses, and silverware.
