Fuel Type: Gas

DETAILED INFORMATION

Accommodations

Entering through either port or starboard see through transom doors from the extended swim platform you enter the massive cockpit area. On each side there are rear facing seats with storage under the cushion. The entire cockpit offer coaming bolsters. Along the rear transom is a folding cockpit table. Up one step from the cockpit is the helm area. To port and just behind the helm seat is a wet bar complete with refrigerator/freezer and storage. The helm seat has electronic adjustment fore and aft and will seat two. Along the starboard side is an "L" shaped settee with under cushion storage as well. The helm area has an air conditioned and heated area, a hard top with three sided molded enclosure, ventilation overhead hatches, a windshield vent which operated electronically, and a complete cockpit enclosure as well.

Through a sliding door and down three steps you enter the main cabin area. The cabin area offers beautiful teak interior woodwork, teak and holly flooring, and matching fabrics. To port is the "L" shaped galley area complete with solid surface counter tops, single stainless steel sink and all the cooking amenities of home. The galley will make any meal preparation a breeze. Across from the galley is access into the large head area with stand up shower, mirrored vanity and Vacu-Flush head. The salon offers a port side "L" dinette with a beautiful high-low two tone teak and varnished table. The starboard side has a long settee with storage. Along the overheads are storage areas and shelving. The master cabin is forward and has a center-lined queen berth with under berth storage, two cedar lined hanging lockers, five over head cabinets, and a unique sliding passageway from the salon to the stateroom. The entry door into the master is bi-fold and beautiful matching wood.
