Vessel Walkthrough

The AFT DECK has a teak deck featuring a large varnished table with 6 very nice chairs as well as multi-level storage, extra power, communication and TV outlets. Teak Caprail. The MAIN SALON features two large sofas and a large chair, all with custom fabrics, custom lamps, lighting, bookshelves and a pop-up 42" plasma TV in a rich cherry wood cabinet. Natural lighting is coming through the large aft sliding glass and stainless steel doors plus large windows to port and starboard. Forward is the DINING SALON with a wooden oval table with seating for eight. The earth tone marble floor with granite inserts is a compliment to the rich cherry wood pass-through wall, which separates the dining area from the galley. There is ceiling spot lighting as

well as a large window to starboard. The GALLEY is located amidships to port and is fully equipped. Further forward to port side is the PILOTHOUSE equipped with touch screen operational controls, integrated electronics including radar, computerized chart plotting, "black box" screen integration and with monitoring of two cameras on each side of the radar arch and one in the engine room from the helm. Forward is the full width VIP STATEROOM with a double bed and bathroom ensuite. Forward starboard is a GUEST STATEROOM with twin beds and bathroom ensuite. Forward port is a GUEST STATEROOM with double bed and bathroom ensuite. Amidships is the full width MASTER STATEROOM with double bed, His and Her's bathroom separated by a large 2 person (separated) shower and an office designed by Azimut that includes high and low speed internet, separate walk in. The CREW QUARTERS are aft and include a two-berth cabin with shower room and head, a galley, a lounge, laundry facilities (featuring Miele dryer and Miele washer), TV and radio. The ENGINE ROOM is aft with access from aft or forward. The aft, port and starboard LAZARETTES can store personal watercraft or equipment. The aft part can be accessed thanks to a mechanically operated door, which when opened reveals steps to and from the aft platform.

- 2 garages with hydraulical doors.
- Hydraulical Passerelle.

The spacious FLYBRIDGE has replicated controls and electronics at the helm. There is plenty of seating, a rugged custom outfitted bimini top, a wet bar, an outdoor grill and a fridge. Starboard aft is a davit for the tender. BOW AREA: Anchor and mooring fittings with winches and bitts concealed when not in use in 4 separated lockers one of which in the bow area; teak deck, sunning area with cushioning and glass and can holders; freshwater and fuel intake caps; two compass side doors are fitted along the walkways connecting the salon, the door to starboard for access to the helm station and the door to port for access to the galley; engine room access along the aft port side deck
