## Overview

---

!!!!!!! Engines recently complete rebuilt!!!! Bring offers!!!! In 1987, Roscioli International designed and built the first of its fleet of sportfishing yachts. the Roscioli Donzi's trademark prodly stands for classic, fluid lines, rugged, 'go anywhere" seaworthiness, impressive nimbleness and the ultimate in finishes and interior appointments. Every detail is impeccably executed:living and entertaining salons that reflects the elegant and opulent lifestyles of the owner, magnificent entertaining systems, wiring and cables dressed in unison and turnes with military precision, glistening white and stainless steel engine room and a bridge that means business. This boat is a competitive sport finshing machine designed to move through the sea with grace, speed and self-assuredness of a thoroughbred.
