Overview

MAJOR PRICE REDUCTION!!!

Even the most committed yacht enthusiasts agree that most of today's express cruisers are pretty much alike. Not so, for the 3870 Express Cruisers, a good-looking family weekender whose contemporary exterior masks one of the more innovative interiors in business. The 3870 features a unique aft stateroom layout with twin single berths (a filler converts them into a double berth), roomy dressing area with standing headroom, hanging locker, TV, and a private head with shower. A privacy door separates the aft stateroom from the main cabin where the floor plan takes on a more conventional look with an island berth in the forward stateroom and a very large head aft of the galley. For additional information or to arrange an appointment to view this vessel, call or email listing broker.
