SPECIFICATIONS

Overview

"PLAN B" is a great example of this immensely popular Express Cruiser model from Sea Ray. Powered by low hours twin Mercruisers 7.4L MPI (fuel efficient) engines and nicely equipped with updated Raymarine GPS/Plotter, Generator, A/C this vessel shows in very good condition for her age. She features the most popular "B" plan with the convertible dinette instead of the staright sofa to starboard. Her exterior cushions are in super nice shape difficult to find on a 10 years old boat. Her owners already did a major service/update to the most important equipments and systems that could fail on a boat of this age so the new owner will enjoy of some sort of piece of mind. Among the most important updates service/repair was done to the exterior canvas, anchor windlass, new exterior carpet, major generator maintenance, installation of a new fresh water flush system for both engines, new fresh water circulation pump, new toilet seal kit, etc. She's definitely worth to take a look at and is easy to inspect in Miami.
