# SPECIFICATIONS

---

## Overview

---

One of the last 35 Bertrams built, she was re-powered with Cummins 6BTA 330 H.P. engines in 2001. At that time she also received a new generator, new Furuno NavNet electronics, a new 1/2 tower with fiberglass hardtop and many other upgrades. She is in top condition and ready for her new owners to fish and cruise.

---

## 2002 Updates

---

In 2002 the original gasoline engines were removed and the entire engine room was painted. Any excess wiring was removed as well as old plumbing. New Cummins 6BTA engines were installed along with the following items:

- New engine beds
- New Twin Disc 1.5:1 gears
- New Racor fuel filters
- New 2" engine thruhulls
- New fresh water pump
- New 6KW Phasor generator
- New bilge pumps and float switches
- New air conditioning pump
- New engine mounts
- New engine exhausts and mufflers
- New Perko sea strainers
- Dripless shaft seals
- New raw water wash down pump
- New generator exhaust and muffler
- New battery switches
- New Nibrals props (20X22 4 blade)

- New cutlass bearings

---

## Comments

---

This boat enjoyed a complete upgrade in 2002. The owner specifically chose this boat because of her late model and having been a cruised boat with gas engines, she had never been abused. She is truly in excellent condition and is a must see for anyone considering a 35' diesel powered sportfisherman.

---

## Exclusions

---

Owner's personal belongings.

---
