DETAILED INFORMATION

Remarks

"Mai Kai VII" is a one owner, well maintained vessel. She is maintained by her full time captain and is immediately ready to cruise in elegant comfort.

1000 HR MTU/DDC service just completed.

Accommodations

"Mai Kai VII" features three owner & guest staterooms, each with oversize ensuite baths. The crew quarters are aft with a custom double berth and head.

Forward in the pilothouse and down a circular staircase to owner/guests accommodations.

Forward is the VIP stateroom with queen walk-around berth and an ensuite bath. Moving aft to portside is a twin berth stateroom with night table between and an ensuite bath, which doubles as the day head with an entrance from the companionway. Moving all the way aft is the spacious full beam master stateroom with a walk-around king berth and customized ensuite bath with full size shower.

- Audio video control receiver w/120 watts per channel
- Surround sound speaker system with subwoofer
- DVD player
- Sony DSS receiver
- VCR - Super VHS high resolution
- KVH Tracvision G4 satellite TV antenna
- Niles integrated remote control
- Speakers on aft deck, pilothouse and flybridge
- Electric room heater

Galley

- On-Demand hot water
- Dacor stainless range with convection oven
- KitchenAid stainless refrigerator 22 cu.ft. Side-By-Side with ice & water
- GE Stainless microwave oven
- KitchenAid stainless trash compactor
- Stainless steel double sink
- Insinkerator disposal
- Grohe single lever faucet with pull-out sprayer
- Digital room temperature control Ventilation hatch
- Granite Countertop
- Lazy Susan with Pull-Out Shelves
- Custom Buffet For Dish Storage
- Teak & Holly Flooring

Pilothouse Dining

- Custom upholstered settee
- Large storage under settee
- Central vacuum outlet
- Custom Camphor dining table with leaf and high gloss finish
- Electronic room heater

Pilothouse

- MTU Engine instruments
- MTU Backup controls
- Oregon Scientific Weather Meter
- Communication System: KVH Trac 50 satellite phone, Panasonic PBX phone system w/5 stations, cell phone, and cell/satellite/land modem Holding tank level

indicator

- 12V Power outlet
- Power assisted hydraulic steering
- Wood rimmed stainless steering wheel
- Stidd helm & companion chairs
- Sliding doors port & starboard
- Chart light with red lens
- Two chart drawers
- Large storage drawer
- Dimmer for overhead lights
- Stereo speakers connected to main system w/volume control
- Heavy duty windshield wiper/washers with intermittent operations
- MTU electronic controls
- Windshield defog system
- Wood handrail on curved staircase
- Pilothouse Electronics Package:
 - Furuno Black Box Navnet Radar/Plotter/Sounder
 - Furuno 1942 6kw 64nm radar
 - Furuno 582L Color depth sounder
 - Sapele Pommele window mullions in salon
 - Chart Plotter Pentium IV CPU w/flatscreen monitor Wireless mouse & keyboard
 - Nobeltec Visual Navigation Suite
 - ICOM M602 GPS with WAAS & Differential
 - Simrad AP20 Autopilot
 - Autopilot remote
 - Simrad digital depth, sound and wind displays
 - KVH Gyrotrac compass
 - Naiad Multisea II stabilizer controls (oversized fins)
 - Naiad bow thruster control
 - Magnetic compass swung at shipyard
 - ACR Spotlight
 - (3) NEC screen/ Engine room camera
 - Electronic room heater
 - A/C with electronic control

Master Stateroom

- King-size walk-around bed
- King-Size inner spring mattress
- 32" Flatscreen TV w/DVD connected to satellite system
- Telephone & outlet
- (2) Sets of deluxe sheets
- Pillows

- Built-in drawers under berth
- Desk with bookshelves, storage Drawers and chair
- Hidden air conditioning duct with muffler
- Electric Room Heater
- Swingarm Reading Lights
- Central Vacuum Outlet
- Simrad Digital Depth Sounder
- (2) Cedar-lined, lighted hanging lockers
- Full-length mirror on doors
- Upholstered lounge with drawer storage
- Dimmer for overhead lighting
- Custom Vanity Dresser with (7) large drawers
- (4) stainless portlights with screens
- Master Head:
- New custom shelving June 2010
- Marble countertop with sink
- On-Demand hot water
- Marble flooring
- Custom 5' Bathtub with shower
- Tempered glass shower door
- 2 A/C outlets, 1/inside vanity
- Air conditioning outlet
- A/C with electronic control
- Grohe single lever faucet
- Jet-Type marine toilet
- Towel storage cabinet
- Pressure balanced shower valve
- Mirrored vanity with storage
- Powered ventilation
- Stainless portlight with screen
- Custom handmade throw pillows
- (2) Premium towel sets

VIP Stateroom

- Queen size bed
- Flatscreen TV & VCR/DVD connected to satellite system
- Swingarm reading lights
- Digital room temperature control
- Ventilation hatch with screen & privacy cover
- Built-in drawers under berth
- Stereo with CD player
- Cedar-lined, lighted hanging locker

- Telephone
- Electric room heater
- Two stainless portlights with screens
- Sky light
- VIP Head:
- Marble countertop with sink
- On-Demand hot water
- Sunken shower w/safety glass door
- Mirrored vanity with sink
- Air conditioning outlet
- A/C with electronic control
- Marble flooring
- Grohe single lever faucet
- Jet-type marine toilet
- Pressure balanced shower valve
- Power ventilation
- (2) Stainless portlights with screens

Guest Stateroom

- Twin berths
- Stereo with CD player
- Built-in drawers under berths
- Digital room temperature control
- Flatscreen TV & VCR/DVD connected to satellite system
- Cedar-lined, lighted hanging locker
- Reading lights
- Stainless portlights with screen
- Guest/Day Head:
- On-Demand hot water
- Shower with safety glass door
- Mirrored vanity with storage
- Powered ventilation
- Marble flooring
- Marble countertop with sink
- Grohe single lever faucet
- Jet-Type marine toilet
- Pressure balanced shower valve
- Air conditioning outlet
- Stainless portlight with screen
- AC Outlet
- A/C with electronic control
- Electronic room heater

Laundry

- Stacked Bosch washer/dryer
- Stainless coat hooks
- Storage cabinets
- Fluorescent lighting

Crew Quarters

- Custom double berth w/drawers underneath
- Reading lights
- 15" Flatscreen TV with DVD Player
- Electric room heater

- Rudder angle indicator
- Bow thruster control
- Multisea II stabilizer control
- Spotlight control
- Simrad depth & speed displays
- Magnetic compass swung at shipyard
- 6 person Life Raft & Epirb
- Isinglass enclosure New August 2010

Swim Platform

- 5' Boarding Platform
- Stainless steel swim ladder
- Stainless steel handrail

- Lg. storage locker w/2 access hatches
- (3) Pop-up stainless steel cleats
- Hot & cold shower

Electrical

- Northern Lights 20kw generator with PTO for thruster (Approximately 1348 hrs)
- Northern Lights 16kw generator (Approximately 1880 hrs)
- 3000 Watt Outback power systems inverter
- 50 Amp Smart Y Shore adapter
- Voltage boosting 50 Amp transformer
- AC Distribution panel with: split buss system for flexible source choices, magnetic breakers, backlit labels and digital amp and voltmeters
- Battery chargers, 12 & 24 VDC
- Heavy duty battery switches
- Battery paralleling switch
- 8D Gel Cell batteries for engine start and house system
- GRP 27 Gel Cell batteries for generators
- 24 VDC lighting
- 24 VDC navigation lights
- Bilge pump warning panel
- Telephone and CATV inlet with 50' cable
- Glendinning Cablemaster 2 ea 50 Amp with 100' cord & handheld remote control
- 30 Amp inlet with 50' cable
- Isolation transformers 50 Amp and 30 Amp
- All receptacles, GFCI protected
- 24 VDC distribution panel with: magnetic breakers, backlit labels, and digital amp and voltmeters
- 12 VDC system with: DC-DC converter, 12 VDC distribution panel, backlit labels and digital amp and voltmeter
- Upgraded Bonding system
- 24 VDC Fluorescent engine room lighting
- Navigation light indicator panel
- Bilge pumps - 9 with automatic/manual operation
- Upgraded wiring Increased size on all grounds, tinned copper with labels installed to ABYC standards
- Extra 24 volt battery bank

Sound Package

- High density foam cored engine beds
- 2" Double density sound foam with barrier in engine room

- Sound barrier tiles in strategic locations
- Improved generator sound shields
- Separating mufflers on generators with underwater discharge
- Silencers on air conditioning ducts
- Isolation bulkhead between master & guest stateroom
- Underwater engine exhaust with vectored cowls
- Insulation on engine mufflers and piping
- 3M Thinsulate for acoustic and thermal insulation
- Generators installed on secondary isolation mounts
- Air conditioning water discharge underwater
- All pumps & motors installed on secondary isolation mounts
- Sound absorbing pads under carpet

Systems

- Air Conditioning/Heat:
 - Aqua Air 60,000 BTU chilled water
 - A/C system with reverse cycle heat
 - Quiet rotary compressor
 - New outback power system inverter
 - Zoned system w/electronic thermostats
 - Underwater discharge water outlet
 - Inline silencers on ducts
 - Condensate discharge system
- Head System:
 - Head Hunter Jet-Type heads
 - 125 USG FRP holding tank
 - Head pump 24 VDC 60 PSI
 - 10 Gal. accumulator tank
 - Holding tank pump 24 VDC
 - Deck pumpout with valve
 - Central vacuum with power brush & tools
- Water System:
 - Water pump 24 VDC 60 PSI
 - 10 Gallon accumulator tank
 - 285 Gallon 316L stainless steel Water tank
 - On-Demand hot water system
 - Color coded piping system
 - City water connection with pressure reducing valve
 - Shut-off valves at ea fixture
 - Hot & cold outlet in engine room
 - Fresh water wash down on foredeck and aft deck
 - Shower on aft deck

- Water heater, 30 Gal. w/engine coolant heat exchanger
- Water Maker:
- Sea Recovery 1200 GPD
- Fresh water flush
- UV Filter
- Oil/water separator
- Commercial Prefilter
- Plankton filter

Mechanical

- Twin electronically controlled 825hp MTU Diesel engines
- Sea strainers for main engines
- Oversize Naiad stabilizers. fins
- Naiad 25hp hydraulic bow thruster
- Propeller shafts 2.5" 22 HS built to proprietary tolerances
- Dripless seals for rudders
- Power assisted hydraulic steering
- Generator sea strainers
- Oil change system for engines and generators
- Halon Automatic/Manual fire extinguisher system
- Fuel tanks aluminum coated with Imron, 1100 USG
- Running gear cleaned monthly
- Stainless steel exhaust elbows
- Dual Racor filters for main engines
- Naiad Multisea II Stabilizer controls
- Propellers (5 Blade Nibral "S" Class)
- Dripless shaft seals with crossover plumbing
- Struts - heavy duty bronze with rubber cutlass bearings
- Cast bronze rudders with stainless steel posts
- Racor fuel filters for generators
- Delta T engine room demisters with 24V fans
- Seacocks on all underwater thru-hulls

Construction

- Solid fiberglass hull bottom
- Viny Lester skin coat on hull & deck to reduce cosmetic shrinkage and provide osmotic barrier
- One piece fully cored utilized deck house
- H&K Gelcoat - high gloss, UV resistant
- Vacuum bagged Airex cored topsides

- Interlux Interprotect Epoxy Barrier coat
- Foam cored fiberglass stringers
- Composite structural bulkheads

Canvas Package

- Pilothouse windshield cover
- Flybridge settee cover
- Helm seat covers
- Spotlight cover
- Windlass cover
- Aft cockpit surround full enclosure
- Companion way cover
- Galley hatch cover
- Flybridge dash cover

Features

- Flybridge hardtop
- Teak aft deck
- Wing control station starboard side
- 30" Sharp flatscreen TV in master Satellite TV receiver
- 4-Sided Strataglass flybridge enclosure
- 15" Flatscreen TV in Crew Quarters DVD Player
- 4 Xenon HD Underwater Lights in Swim Platform
- Yacht professionally maintained by full time Captain
- Aft Deck Control Station
- High Gloss Aft Deck Table with Chairs
- Upgrade Salon Table and Chairs
- (1995) 13' Novarania Equipped with 50hp 2009 Honda Outboard Engine with Lifting Harness, Shocks, Tiedowns and Cover
- Spare Propellers
- New Bottom Paint - June 2010
- Back up 110v Water Pump

Miscellaneous

- US Flag
- USCG safety kit
- Spare fuses and light bulbs
- Engine spares kit

- Cleaning supply kit
- Docking kit
- Tool box with tools
- Generator spares kit
- Rod storage
- Twin Racer filters on each side
