Fuel Type: Diesel

DETAILED INFORMATION

Introduction

Practical! That is the word that best describes TREVIA. The design is laid out in such a way to keep owners and guests comfortable, whether they are fishing, swimming, or lounging on the aft deck, flybridge, or the spacious well-lit saloon. The main saloon windows are large and low, allowing for excellent view of the scenery from the airconditioned

interior.

The yacht has a functional cockpit to dock your fishing boat, or use as your personal beach. TREVIA's efficient 1670 hp CAT's will allow you and your family to travel up to 4,000 nm at an economical speed.

Accommodations

TREVIA sleeps 9 owners and guests in 4 staterooms. Crew accommodations include 2 berths, head and shower. The Captain's quarters are separate, with a large stateroom for two.

The full beam Master Stateroom is located just forward of amidships along the centerline of the yacht to ensure maximum comfort and stability. His and Hers heads with granite floors. His and Hers enlarged glass enclosed granite shower with double shower heads and controls is located at centerline. His and Hers walk-in cedar-lined closets complement the arrangement. Additional dresser space (there is a comfortable settee to complete the dressing area).

The two Guest Staterooms are located off the main accommodation passageway. Large cedar-lined closets and private ensuite heads flank the berths.

In the lower companionway, there is a Maytag stackable washer/dryer combo and utility closet with a storage cabinet.

The entire salon is surrounded by oversized windows, including floor-to-ceiling windows looking to the aft deck. All windows are tinted and feature silhouette blinds. Custom overhead valances provide defused air flow from the over-sized air conditioning system.

From the aft deck one enters the Main Salon with the granite-top bar and entertainment area immediately to port. Across to starboard is the U-shaped sofa with a wood/glass top coffee table. Forward in the salon is the dining table for eight. There are built-in buffet cabinets of maple with cherry and ebony inlays for trays, glasses, dishes, and silverware storage.

The powder room is located forward off the starboard passageway, and includes granite vanity top, granite flooring.

The Galley is a beautiful country kitchen with upgraded appliances and Corian countertops.

Forward of the Galley is the VIP stateroom. This will accommodate 2 with a desk, head/shower, Island double bed (could make the best captain cabin on any boat in her size range).

The pilothouse has a custom L-shaped settee with a maple table and (3) storage drawers, custom cabinet to port with computer and fax, windshield defoggers, custom rocker switches and teak holly sole.

Remarks

TREVIA has been well maintained with regular maintenance and upgrades since new.

New Main engines and generators were fitted in 2006-2007. New Tender in 2007-08. The entire Air Conditioning system in the main has been upgraded with new duct work and air handlers. Vessel is well set up for fishing with the big cockpit and well suited for operation in the Bahamas or similar shallow water operations.

Exclusions

Exclusions include all of Owner's personal effects

Broker Comments

TREVIA is a 1999 Broward Raised Pilothouse Motor Yacht with 4 staterooms plus crew cabins with the captains quarters separate. **TREVIA** was repowered with Caterpillar diesels in 2007. She has a cruising speed of 17 knots. The boat is constructed originally with a cockpit and the current owners have owned the vessel shortly after construction. She has a 4000 nautical mile range at 10 knots and a 2400 nautical mile range at 17 knots. The boat has been defined as extremely practical and an excellent platform for Caribbean, New England, Bahamian or Central America cruising. She is ideal for the avid fishing family, for a large bridge deck to handle flats boats, tenders and toys. The owner has spared no expense on **TREVIA** keeping her maintained in perfect condition. She is competitively priced and available to be seen in Fort Lauderdale.

Exclusions

Owner's personal belongings.
