## Overview

---

THIS IS NOT YOUR AVERAGE RESTORATION!

This Classic 1966 34' Hatteras has been restored top to bottom. The owner has spent several years and an excess of over \$200,000 on this detailed project.

Starting in 2003, the work started with removing and replacing all wood all the way down to the keel. Since then an extensive amount of restoration and upgrades has been done. Some of the highlights are: Rebuilt motors, complete rewiring of all electrical, complete exterior paint, teak decks, frameless windows, cabinetry, new tankage, tower added, outriggers, etc., etc. The list goes on and on.

Some of the interior cosmetic finish work is still in progress and needs completion. Ready for a new owner's personal touch. Please read further in full specs. for more details and timelines. Most recent maintenance and upgrades include complete rebuild of Starboard motor (25 hrs) and new Onan 8 KW 1800 Genset.

DON'T MISS THIS ONE! BACK IN THE MARKET AND READY TO SELL!! BRING ALL OFFERS!
