DETAILED INFORMATION

Main Deck

Back in the companion way to starboard are the stairs forming a half turn up to the main deck level. The stairs land at the starboard foyer.

First, forward to port and up 3 steps is the Pilothouse. Forward off the foyer is the day head. All the way forward from the foyer is the formal dining salon. Aft into the lounging area of the salon is a crescent shaped leather sofa and to port faces a straight leather sofa to starboard across a sectional coffee table (sections easily move to service various placements of guests). All the way aft and off center to port is the walk-behind full wet bar. This is located perfectly to service the salon or out onto the aft deck. The entertainment system is built into the bulkhead across from the bar. The aft deck offers covered, al fresco dining for 6 on a pedestal mounted varnished teak table.

From the aft deck you can access side decks, swim platform and up to the flybridge.

The Flybridge, which can also be accessed from the Pilothouse, offers superb sunbathing on cushions which surround the jacuzzi aft. Forward of the jacuzzi is a U-shaped dinette and then an L-shaped dinette, both are serviced by a wet bar with refrigerator and Jenn Aire stove top. The flybridge helm area is forward to port with bench seating.

The joinery work is all high gloss cherry wood with diagonally inset panels to highlight areas. The carpet is a low, densely plush weave, white throughout. There is a laid teak sole in the foyer, pilothouse and in the bar area of the salon which makes a visual break to the exterior as well as facilitating bathers use of the bar. The curtains and bed coverings are the finest materials. In all bathes, marble is used.

Guest Staterooms
