SPECIFICATIONS

Overview

L'Attitude is one of the finest examples of Ted Brewer's classic design. Fort Myers Yacht and Shipbuilding took over the building of the popular Canadian Whitby 42 cruising boat, building it right here in Ft. Myers, FL and retaining everything that made cruisers love it. This one has been painstakingly maintained over the years and tremendously upgraded in the last few months. Anyone considering cruising should look at this boat right away before someone else gets it.
