DETAILED INFORMATION

Introduction

Special opportunity to own a world class luxurious motorsailer built by and for the personal use of an industry professional of over 40 years. With only about a year of light personal use and very low hours on her twin Caterpillars, she is arguably better than new having had plenty of first year shakedown time, and being offered at much less than both build cost and replacement cost. Thus, Silver Moon will accord her next owner a virtually new boat for either personal use and/or a promising charter program due to her luxurious 4 stateroom/4head layout plus crew.
