## Overview

---

This 1999 55' Viking convertible is the only one ever built with 1300 M.A.N.'s. Tournament rigged and spec'd, way ahead of its time. Three under counter refrigeration units, custom Pipe welders tower, Eskimo ice machine, water maker, the preferred VIP forward stateroom layout, teak cockpit, extra fuel capacity and a very open, neutral interior. Vessel has received a topside paint in 2007. All fluids changed on mains, gen and transmission in September of 2014 along with a new three sided enclosure.
