### **BROKER REMARKS**

***With her rakish appearance and spacious interior The 37 Silverton convertible was a highly successful and popular boat for Silverton. Built on a solid fiberglass hull, modified vee hull with a wide beam and prop pockets to reduce draft, side exhausts to minimize engine noise/fumes, a good size cockpit and flybridge and a spacious interior with accommodations for 6, she was a versatile boat equally adept as a weekend family cruiser or sportfishing boat. This boat is in TOP condition and basically "Turn-Key".***
