Vessel Walkthrough

This 2009 Lazzara LSX sets the standard for large express yachts in the industry! BG is powered by 4 Volvo IPS 600 drives and features Volvos innovative “joystick” technology making for easy maneuvering when docking. This vessel boasts many custom options executed by Lazzara Yachts at their Tampa shipyard; TRAC stabilizer system, recessed forward portholes, custom interior stone and soft goods just to name a few. With a 4 stateroom layout and crew quarters aft, this vessel is ideal for a long voyage or suitable for a weekend trip to the Bahamas. A large grand salon offers a well thought out and functional interior design. A forward sun pad makes for a great sunbathing area while her large aft deck table is inviting for “Al Fresco” style dining. Walk around decks make for a functional yacht while providing plenty of room for handling lines. Captain maintained ensures that this vessel is amongst the nicest on the market
