SPECIFICATIONS

Overview

This Bluewater has barely been used! Less than 200 hours on the engines.

It is a dealer demo. Own her for a fraction of the original price of over \$900,000.00

Great rough water performance.

Tons of custom upgrades.

One level interior provides a comfort level not found in traditional yachts.

Two ensuite heads with large separate showers

Freshwater cooling - both engines and genset.

Shallow 28" draft allows this vessel to venture into water not accessible to traditional yachts....

True rough water performance!

Helm in salon, stay dry and comfortable in bad weather. Perfect for live aboard or extended stays, Use as a vacation home in exotic locations like the Bahamas or the Islands Take the Great Loop Cruise, this is the PERFECT boat. Great Lakes Summers / Gulf Coast Winters... BUY IT NOW, IT WON'T BE ON THE MARKET LONG!

Great Lakes Summers / Gulf Coast Winters... BUY IT NOW, IT WON'T BE ON THE MARKET LONG!

Introduction

The Bluewater 5200 is easy to handle for the boating couple, or even the single skipper. The upper deck control area is spacious and has a full-length fiberglass hardtop. The lower-level bridge area is the perfect place from which to captain when the party is below deck or in the rain. The 5200 can go in as little as 28 inches of water, running gear protected in recessed pockets above the keel line. It has the lowest center of gravity in the industry and is constructed of aircraft composites like Kevlar and Klegecell.

Accommodations

Two staterooms, 2 heads, beautiful cherry interior, this Bluewater is in "still new" condition. Three flat screen TV's....one in the salon and one in each stateroom. Extensive electronics all computer operated...state-of-the-art. It's one level interior and large window areas provide a roominess and comfort level not found in other yachts of this size. This is a great boat for rivers, lakes, or ocean.
