DETAILED INFORMATION

Accommodations

Located just aft of the galley to port, is the glamorous dining area with a custom built in lighting fixture. To starboard of the dining table, behind a tinted mirrored wall is the convenient and charming day head and a large storage cabinet with a nook for the built in central vacuum system. Right of that are the teak stairs leading to the flybridge. From the airy dining room one can see aft into the 17' wide royal sized full beam saloon. In the center is a marble top credenza which houses the pop-up flat screen TV. Looking aft is a king sized L-shaped sofa with coffee table. A built-in teak credenza in mirrored on the starboard side contains the wet bar featuring an icemaker, storage drawer and liquor cabinet. The enormous view sized windows are covered by Venetian mini blinds with fixed drapery accents. The ambiance of the saloon can easily be changed by selecting from the lamp, soffit or overhead lighting options. Starboard side: Raritan Icemaker Concealed Wet bar with sink Port side: Entertainment Center Yamaha Tuner Amp (2004) New Flat Panel TV

Main Deck and Hull

The main deck exterior is easy to maintain fiberglass, well laid out and equipped for ease of handling and maintenance. The house and hull color is white. There are ample lines and fenders for docking, remote control spotlights, exterior courtesy lighting, underwater lighting and navigation lights for after dark handling.

- Wash down system, fresh and salt
- Padded seating, sunbathing area with storage beneath
- New Sunbrella covers
- Ideal Anchor Windlass with new chain
- Marquipt Ride Tide Boarding ladder
- CQR Anchors - Two
- Varnished teak handrail with Sunbrella Covers
- New Sunbrella Aft Deck Bimini

Electrical System

The electrical system is well planned and efficiently serves the vessels needs whether at the dock, cruising or anchored.

- 2 ea 60A automatic battery chargers
- 110V, 220V AC electrical system
- 50A/220V dockside service 2 port, 2 stbd

- Two CableMaster electric roller feeders for the cords
- 12 batteries w/ parallel switch
- 12V, 24V DC electrical system
- Two 20KW Onan generators (low hours)
- 90 amp gear driven alternators on main diesel engines
- Dual Isolation Transformers

Wheelhouse

The wheelhouse is exceptionally dramatic and very functional with a wing door on either side. The main pilot station is loaded with instruments and the console has new black leatherette which matches the pilothouse seat. Together they spark appealing contrast with the teak walls. By day the three massive windshield windows provide great visibility for piloting and docking by night the new electric Hunter Douglas shades provide privacy. Ample chart and filing drawers for handy accessibility.

- Raymarine Wind Speed/Direction new
- Raymarine Digital Depth Sounder new Garmin GPS MAP 225 new
- Raymarine Boat Speed/Log new Robertson Autopilot
- Robertson Rudder Indicator
- Icom VHF M-56
- Electronic Fuel level monitoring

Flybridge

On the top deck, the oversized flybridge extends the full length of the main deck below. The pilot station is a high tech, fully instrumented command station. There are three armed captain chairs at the instrument console and behind them a large bench seat with storage for the 14 life jackets underneath.

Under the radar arch there is a covered Jenn Aire BBQ with storage cabinets beneath. This expansive fresh air entertainment area provides the space, seating and tables to accommodate about twenty guests. Aft of the entertainment area are the dinghy chocks and a Marquipt tender davit. The overhead bimini top is new black Sunbrella as are the chair and instrument covers.

- Robertson Autopilot
- All new VHF and HF Antennas
- 72 mile Furuno Radar
- Garmin 2010 GPS

- All Sunbrella Covers-new
- Plexiglas windscreen-new
- Complete Engine Monitoring Alarm System
- New Aft bimini behind the Arch

Galley

The practical and sparkling galley extends the full width of the beam and is a chef's dream layout.

Tumbled marble flooring, new stainless steel Kitchen Aid Architectural Designer Series appliances are. The two portside windows add interest and provide excellent natural light while providing the illusion of expanding the already generous galley proportions. Open pass-through to both the wheelhouse and dining room are handy and further enhance the spacious feel.

- Kitchen Aid Fridge/Freezer SS
- Kitchen Aid Dishwasher SS
- Kitchen Aid Cook top Ceramic
- Kitchen Aid Compactor SS
- Kitchen Aid Garbage Disposal
- Panasonic Convection Microwave
- JennAire Convection Oven
- Franke SS triple sink
- Grohe SS faucet/spray combo
- Smoke detector
- Insinkerator Instant Hot

The lower level also features a crew galley with stove, sink, microwave, laundry, settee and storage cabinets.

Guest Accommodations

From the wheelhouse a carpeted stairwell curves down leading to the crew galley, laundry and engine rooms. The VIP stateroom is in the bow and has a queen centerline berth. There is a generous hanging locker, ample drawers and extra cabinets for storage. The entertainment center has TV, VCR and CD player.

The portside guest stateroom has over and under berths, hanging locker, double cabinet drawers and ensuite head with shower. New flat panel TV's in guest cabins.

The mid ships stateroom features twin beds with headboards on a common rack to push the twin beds together forming a double berth.

Master Suite

From the salon a carpeted stairwell curves down to the small anteroom leading to the very large full beam private master suite. This suite is enormous and is further enhanced by well placed mirrors, including one in the canopy above the king sized centerline bed. There is mood lighting from accent lighting beneath the bed and perimeter soffits of the stateroom. Twin lamps beside the headboard permit reading and the recessed halogen lights overhead are there when brighter light is desired. Attractive built-in teak cabinets provide an incredible amount of storage as does the walk in cedar-lined closet. A second cedar lined hanging locker is concealed behind mirrored doors. For Madame there is a perfect lighted makeup mirror with vanity top and seat. The floor to ceiling entertainment center is apposite the bed and concealed behind a mirrored door. It features TV, VCR, AM/FM stereo and CD player, satellite receiver as well as a wine rack and refrigerator.

The large ensuite head features a full length mirror with Hollywood lights, large his and her sinks the enclosed tub/shower combo includes a very soothing Jacuzzi Whirlpool.
