

NEW SQUADRON 42 — FAIRLINE

Судостроитель: FAIRLINE

Год постройки: 2013

Модель: Моторная яхта

Цена: ЦЕНА ЯХТЫ ПО ЗАПРОСУ

Местонахождение: United States

Длина общая: 42' 5" (12.93m)

Ширина: 13' 1" (3.99m)

Макс. скорость: 33 Kts. (38 MPH)

Купить **NEW SQUADRON 42 — FAIRLINE** а также выбрать подходящую вам яхту из нашего **каталога яхт** вам поможет опытный яхтенный брокер Андрей Шестаков. На сегодняшний день компания **Shestakov Yacht Sales Inc.** имеет большое количество яхт в **собственном списке продаж**, а также тесно сотрудничает со всеми крупными **яхтенными производителями** по всему миру.

Для того чтобы купить яхту **NEW SQUADRON 42 — FAIRLINE** а также проконсультироваться по любому вопросу связанному с покупкой, продажей, чартером яхт позвоните по телефону **+7(918)465-66-44**.

ХАРАКТЕРИСТИКИ

Обзор

TOUR VIRTUAL

Основная информация

Тип судна: Моторная яхта

Подкатегория: Flybridge

Модельный год: 2014

Год постройки: 2013

Страна: United States

Открытая палуба мостика: Да

Кубрик: Да

Размеры

Длина общая: 42' 5" (12.93m)

Ширина: 13' 1" (3.99m)

Скорость, вместимость и масса

Макс. скорость: 33 Kts. (38 MPH)

Чистый вес: 13 Pounds

Вместимость воды: 138 Gallons

Объем топливного бака: 263 Gallons

Размещение

Всего кают: 2

Всего коек: 4

Спальные места: 6

Всего ком. состава: 2

Корпус и палуба

Материал корпуса: Fiberglass

Материал палубы: Teak

Комплектация корпуса: Deep Vee

Отделка корпуса: Aluminum

Информация о двигателе

Двигатели: 2

Производитель: Volvo

Модель: D6-435 EVC

Тип двигателя: Inboard

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

Aft deck

12v heavy duty weatherproof socket • Access hatch to lazarette • Aft cockpit enclosure covers • Cockpit lights • Cockpit seat with reversible backrest • Deck level lighting • Engine bay access hatch with stainless steel ram • Manual bilge pump(s) • Mooring warps • Shoreline stowage locker • Sliding patio door to main saloon • Teak laid floor throughout self-draining cockpit • Warp lockers

Deck Equipment

Anchor chain locker • Anchor winch (electric) • Anchor winch controls • Calibrated anchor chain • Delta anchor 16kg with 45m chain (galvanised) • Fender set • Foredeck lockers • Fuel fillers • Full set of IMCO navigation lights • Horn to radar mast • Hot and cold water transom shower • Moulded non-slip deck surface • Recessed self-draining area on foredeck for coachroof sun cushions • Riding light • Stainless steel bow, spring and stern cleats • Stainless steel bow fairlead(s) • Stainless steel handrails • Stainless steel pulpit • Stainless steel stemhead roller • Swim ladder • Teak laid bathing platform • Toughened glass curved windscreen • Transom gates from cockpit to integral bathing platform • Water filler(s) • Windscreen wipers

Electrical System

All 240V, 24V and 12V circuits (where applicable) protected by circuit breakers with main electrical load control panel • Heavy duty circuit breakers • Isolating switches to all batteries

12 Volt:Batteries - 2 x Heavy duty batteries wired in parallel supplying domestic services • Battery - 1 x Heavy duty battery exclusively for port engine starting • Battery - 1 x Heavy duty battery exclusively for starboard engine starting • Regulated charger 240 Volt:Polarity check and earth leakage protection system • Power points throughout the boat (fed from shore power or generator) • Shore power supply

Electronics and Navigational Equipment

12v socket • Adjustable/tilt steering wheel • Bilge pump switches with integral

operating warning lights and audible alarms • Bolstered helm seat • Control panel for 12v/240v domestic electrical circuits • Controls for engine bay fire extinguisher system • Electronic single-lever throttle and gear controls for port and starboard engines • Fuel gauges • Full engine instrumentation including; tachometers, temperature gauges, battery condition indicators, audible alarms and engine hour meters • Garmin GMI 10 digital multi-function instrument system with colour display • Garmin VHF 300i marine radio • Helm position indicator • High speed magnetic compass • Hydraulic steering • Opening side window (manual) • Random teak floor • Red night-light illumination to helm • Remote anchor winch controls • Searchlight controls • Switches for navigation and riding lights, windscreen wipers and engine bay extractor fans • Trim tab controls

Flybridge

12v heavy duty weatherproof socket • Access hatch • Bilge pump warning lights and audible alarms • Bolstered helm seating • Chaise-longue seat • Companion seating to helm • Deck level lighting • Drinks holders • Electronic single-lever throttle and gear controls for port and starboard engines • Ensign and staff • GRP flybridge table with hi/lo facility • Garmin GMI 10 digital multi-function instrument system with colour display • Helm position indicator • High speed magnetic compass • Instrument covers • Moulded non-slip deck surface • Remote anchor winch controls • Remote control searchlight with controls at both helm stations • Repeat flybridge engine instrumentation, controls and electronics • Stainless steel handrails • Teak laid oversize flybridge steps • Trim tab controls • VHF radio incorporating intercom • Wind-deflecting screen with grab rail

Galley

2-burner gas hob, oven and grill • Additional galley storage space built into bulkhead • Fire extinguisher • Foundations work surface • Halogen ceiling lights • Integrated waste bin • Lacquered cupboard doors • Panoramic windows with opening port • Random teak floor • Refrigerator • Sink with hot and cold mixer tap • Underfloor stowage • Work surface lights

Guest Stateroom

Bedside stowage • Double doors to en suite • Full length berths x 2 with sliding

conversion to double bed • Full standing height shower with solid teak gratings, seat and hinged door • Halogen ceiling lights • Lockers (overhead) • Mirror • Opening hull windows with blinds • Reading lights • Wardrobe(s)

Guest Cabin En Suite: 220v/240v shaving point • Automatic shower tray pump-out system • Day Access • Electric silent-flush freshwater toilet • Extractor fan • Foundations® vanity unit locker and basin with hot and cold pressurised water • Full set of bathroom fittings • Full standing height shower with solid teak gratings, seat and hinged door • Mirror • Opening hull windows with blinds

Hull

All gel coat and glass fibre hand laid with unidirectional, biaxial and woven rovings • Antifouling protection to hull • Deep 'V' forward 12.5° deadrise aft • Design, layout and detailing by the Fairline Design Team. Naval architecture and structural engineering by Bernard Olesinski • Full length hull design • Full length moulded spray deflectors • Hull/deck join bolted and bonded • Integrally moulded engine bearers • Isophthalic gel coat backed by isophthalic resin-rich powder-bound glass mat • Panoramic hull windows • Stainless steel gunwhale with rubber insert • The deck incorporates polyurethane foam cores for high strength and excellent thermal insulation • The integral bathing platform gives the boat a longer waterline length for improved performance, particularly at reduced power settings • The propellers are set in semi-tunnels enabling the engines to be located further aft, also reducing draught and improving efficiency by reducing the shaft angle • Transverse and longitudinal strengthening stringers throughout hull

Master Stateroom

Bedside table • Drawer(s) under bed • Full-height standing headroom • Halogen ceiling lights • Large hatch with flyscreen and concealed blinds to foredeck • Lockers (overhead) • Master cabin skylight • Mirror • Opening hull windows with blinds • Oversized double bed • Reading lights • Upholstered bedhead • Wardrobe(s)

Master En Suite: 220v/240v shaving point • Automatic shower tray pump-out system • Electric silent-flush freshwater toilet • Extractor fan • Foundations® vanity unit locker and basin with hot and cold pressurised water • Full set of bathroom fittings • Full standing height shower with hinged door • Halogen ceiling lights • Mirror • Opening hull windows with blinds

Engine /Mechanical Equipment

Access through cockpit hatch • Aerodynamically designed engine air intakes • Automatic bilge pumps for forward bilge, engine bay and rudder bay with manual 'on' override • Automatic engine bay fire extinguisher system with warnings at both helms • Balanced rudders • Cathodic protection • Dripless shaft seals • Electric engine bay fan(s) • Electro-hydraulic trim tabs with cathodic protection • Engine bay lights • Engine room soundproofing • Exhaust overheat warning system • High capacity emergency manual bilge pump system with changeover valves • Manganese bronze 'P' brackets • Manganese bronze propellers contra-rotating • Sea cocks on all inlets/outlets below waterline • Stainless steel alloy shafts • Water cooled engine exhausts with silencers and side outlets

Salon

19" LCD TV DVD/CD/radio • Aerial and connections for television • Blinds to side windows • Curtains to patio door • Dining table • First aid kit • Freestanding sideboard with cocktail cabinet and provision for optional 32" LCD TV • Full-height standing headroom • Full length saloon windows • Halogen ceiling lights • Handrail with glass partition leading to galley • Sofa

Исключения

При продаже яхты исключаются личные вещи владельца.

Отказ от ответственности

Компания предоставляет описание судна или яхты добросовестно, но не может гарантировать точность этой информации, а также не ручается за техническое состояние. Покупатель должен проинструктировать своих агентов или оценщиков исследовать представленную информацию более подробно, по собственному желанию. Продажа судна или яхты, изменение цены или снятие с продажи будет происходить без предварительного уведомления.
