Engine Information

Engines: 1

Manufacturer: Yanmar

Model: 2GMF

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

OVERVIEW

This 1988 O'Day 302 is a terrific vessel for both cruising and racing. The cabin can easily sleep up to six guests when the port and starboard berths in the main cabin are extended. 110 outlets plus 30 amp shore power give you all the juice you need to run the microwave, TV and the DVD sound system with cockpit speakers. Roller furling on the jib and strong self-tailing winches make it easy to single or double hand this boat. The light grey hull stands out and the teak and holly down below is bright and beautiful. The ice chest is huge and the O'Day folks have designed lots of storage both in the cabin as well as the cockpit. With less than 4' draft, you won't be going aground in our shallow Florida waters. The 18hp Yanmar engine easily pushes you along at better than 6 knts.

ACCOMMODATIONS

- Sleeps up to six with two forward, two on Settee's Plus two in the Aft Quarter Berth
