Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

This three stateroom, two head layout is fantastic. Starting forward with the VIP stateroom with over/under bunks and ensuite head. The master stateroom is aft on the starboard side with a walkaround queen berth with underneath storage. The guest stateroom is located portside with over/under bunks. The head is accessed from the companionway on portside and is connected to the VIP. Also located portside is the washer and dryer.

Up four steps to the salon is a starboard dinette, opposite the galley, featuring a teak table. Aft to port is an L-shaped leather sofa and teak coffee table. To starboard are cabinets which house the entertainment center and the ship's breaker panel.

The boat is finished with high gloss teak and all cabinets and drawers are raised panel. Full carpet and runners found throughout. An upgraded luxury decor interior package has been completely redone and she shows like a modern vintage Viking!

Salon

Located (4) steps up from the companionway going forward

Remarks

The Bella Vita represents the finest Viking 50 available on today's market. She has had the best in maintenance and care with an open checkbook. Many recent custom additions and improvements make this a must see for anyone desiring a mid range Viking. The list of ongoing improvements never ends. The boat is in "as good as it gets" condition and anyone that takes a look will not be disappointed.
