# SPECIFICATIONS

---

## Overview

---

Originally built for an owner who planned on keeping her in southern waters, "**Razzle Dazzle**", has a minimum of brightwork on her exterior for easy maintenance. She retains her classic lines and beautifully crafted teak interior. Equipped for offshore cruising and racing, she has participated in a Newport-Bermuda race, but also has power primary winches and most control lines led aft for easy shorthanded sailing. A must consideration for the serious cruiser or offshore racer looking for the safety and security of a well built sailboat.
