# SPECIFICATIONS

---

## Overview

---

"GO" has been properly maintained and shows beautifully. She was built new for the current owners who specifically wanted three sumptuous king-bed staterooms, rather than squeezing in a fourth. The master is on-deck and has a fantastic panoramic view. This layout has been extremely popular for charter, since often in this size range there are only three couples. The main salon is beautifully appointed and has a large bar with a comfortable dining area incorporated. The aft deck takes advantage of the extra wide beam giving the feeling of a much larger yacht. This is also evident on the oversized hardtop-covered flybridge which has a martini bar, barbecue, dining for eight, and Jacuzzi with a 360 view. She has CAT engine warranties that are valid until June of 2018, that can be extended to June of 2021. GO" is a great value and seriously for sale!

# DETAILED INFORMATION

---

## Overview

---

"GO" has been properly maintained and shows beautifully. She was built new for the current owners who specifically wanted three sumptuous king-bed staterooms, rather than squeezing in a fourth. The master is on-deck and has a fantastic panoramic view. This layout has been extremely popular for charter, since often in this size range there are only three couples. The main salon is beautifully appointed and has a large bar with a comfortable dining area incorporated. The aft deck takes advantage of the extra wide beam giving the feeling of a much larger yacht. This is also evident on the hardtop-covered flybridge which has a martini bar, barbecue, dining for eight, and Jacuzzi with a 360 view. She has CAT engine warranties valid through through June of 2018, that can be extended to 2021. Her recent relocation to Ft. Lauderdale and a major price reduction are evidence of her owners' intent to sell. "GO" is a great value and seriously for sale.

## Accommodations

---

This yacht features a split-level master with panoramic water views and a large master bath forward. The VIP below has a king berth and a large master-style bath with two sinks. The guest stateroom is nearly as large, and has a settee and a separate ensuite bath. The main salon has a hide-a-bed in the couch. This, along with the day head can serve as overflow accommodations for a fourth couple.

## Salon

---

This motoryacht's wide beam provides lots of room for a spacious salon, yet still has ample walk-around decks. There is a beautifully designed glass-topped bar with three stools, a wide table with dining for six, and a main salon area which is ideally laid out for entertaining larger groups, or watching movies on the large-screen Plasma TV.

## Dining

---

Dining for six or more can be accommodated in three comfortable areas, the aft deck, flybridge, and main dining salon. There's also additional seating for three at either of the two bars, which are located in the main salon and on the flybridge.

## Galley

---
