Vessel Walkthrough

If you're ready to haul ass in fiberglass for some extreme racing or cruising fun and do it all in total style, ROCKET MAN is the ticket! She's powered by twin 1350HP Sterling Motors (2700 Total HP) with too many upgrades to mention. ROCKET MAN is a fresh water boat from Illinois that just arrived in SW Florida and is 100% ready for your personal inspection, survey and sea trial. This 93 Octane Gas Powered boat is appropriately named; ROCKET MAN and upon sea trial you'll find out why! The boat itself has less than 300 hours on it and the staggered motors are at 47 hours since freshened. At the helm, you will find two racing bucket seats with a third removable slide-in seat as well; Latham Throttles; VHF Marine Radio; Garmin 2006C Color GPS Map; Azimuth 1100 Compass; Hydraulic Steering; Latham Throttles; Trim Tab Indicators; Extra Full Pump Switch and Oil Primer Switch; and all of the helm instrumentation needed to accurately monitor all systems. Aft seating includes three (3) extremely comfortable side-by-side bucket seats with grab rails. Also featured is an electric engine hatch and twin ram air coolers. The Drives are Mercury SSM#6 at only 30 hours.

Exclusions

Owner's personal belongings.
