Remarks

Outstanding and rare vessel built at Vicem yard in Istanbul, Turkey. In the tradition of classics from Windsor Craft of another age but using handmade cold mold technology of today that makes them a strong & elegant yacht beyond compare. This is not your run of the mill 42' boat but you will be owning the Bently of boats at the fraction of the price. When they were marketed/built in the first place at 1.2M for the high end of the market.

The photos don't give justice to the yacht but e-mail us and we will give you the full details including a Youtube video a Boattest of sisterships etc. Along other information that is out of the scope of this listing.

All the equipment and systems are high-end brands sold and serviced in the U.S. support here.

Only 100 original hours since new!

Professionally maintained in the area and Vicem Ft. Lauderdale.

Contact us for more information for this very special yacht.
