SPECIFICATIONS

Overview

PRICE REDUCED to USD 2,950,000!!!. This is one of THE BEST SAILING YACHT VALUE on the market. Inspections Highly encouraged. 2015/2016 upgrades: New Sails New Running Rigging New Rudder Bearing Rebuilt Generators In DNV Class US Duty Paid

AVENTURA is a classic displacement designed hull form with excellent sea keeping abilities, a SHALLOW CENTERBOARD KEEL and a very comfortable and practical layout with easy access to the water thanks to the Hydraulic Opening Transom . Her helm offers excellent visibility and located just aft of the main seating cockpit area as well as within close communication to the Pilothouse and navigation instruments.

Her raised pilot house allows plenty of natural light when desired and panoramic views if the water. In addition AVENTURA has 7' plus of headroom throughout and huge space throughout her interior. Her 4 double staterooms aft plus crew forward allow 8-10 guests plus crew which is unique in this size of yacht. The full beam master is located aft and has access to a private owners companionway aft. AVENTURA has a well balanced and spacious interior and was built to stringent Northern European standards in low maintenance composite. She represents the BEST VALUE for her size on the worldwide market.

US DUTY PAID

Water Maker overhauled (one membrane replaced)

All sea chest manifold valves replaced

Sea water discharge valve replaced

Windlass serviced

Deck and superstructure hatches rebedded

Sewage pumping system overhauled

New main engine heat exchanger

REMARKS

AVENTURA was built by Danish Yachts which was a part of the Royal Denship Consortium. Launched in late 2005, she was then taken to Holland Jachtbouw for a final fitting out and delivery to her owner.

Ted Fontaines design brief was to create a world cruising yacht for a young family with an emphasis on safety and comfort. Since delivery she has completed many miles and is a blue water proven yacht. A solid and beautifully built ocean going yacht with strong pedigree, AVENTURA is being offered for sale by her original owner who has maintained and upgraded the yacht since new.

All speeds, measurements, capacities, consumptions, etc. may be approximate or estimated. Specifications provided for information only. Data was obtained from sources believed to be reliable and is not guaranteed by owner or brokers. Buyer assumes the responsibility to ascertain the correctness of all data contained herein and otherwise provided and must instruct his agent and surveyors to confirm all details for accuracy prior to purchase.
