SPECIFICATIONS

Overview

A mint condition 54DS that is FULLY equipped with nearly every possible option and then some.

Hours on the engine and genset are less than 500.

The reputation for this Jeanneau flagship model is well known in this market as being one of the nicest interiors with very nice teak interior and teak and holly cabin sole. This particular 54DS has a full owner's stateroom aft with one full head to starboard and a separate shower area to port. Twin double staterooms are forward of the luxurious main salon and each have their own en suite head and showers.

An additional option was added for a Captain's and mate's double berth and head in the forepeak.

If you had intended to purchase a 54DS new, this might be your an opportunity to get one as close to new as you can get at this time. New bottom paint in 2011 and well maintained;

Yacht Sales Professionals committed to "Excellence with Integrity".

Give me a call for a showing here in Newport.

DETAILED INFORMATION

Accommodations

This Jeanneau 54DS has three staterooms, three full heads and a captains mate double over under berth with head and sink in the forepeak.

The master stateroom is aft of the companionway and is full width of the boat with a spacious centerline queen berth. On either side of the queen berth are comfortable reading seats and excellent outboard storage lockers. There is one full head and shower to starboard and another full size separate shower head to port. Hanging lockers, good head room on both sides of the berth. This master stateroom is quite large, spacious and luxurious.

To starboard of the companionway is a forward facing fully equipped navigation station.

To port of the companionway is a large galley.

The main salon has a fixed dinnette area to starboard with twin seats to port and a table between each.

Forward of the main salon are two large double berths with their own private heads and showers.

The Captains and first mate have access to separate crew quarters in the forepeak with full head and sink.
